Head of HR Department, Alesha Tech Limited

Subject: Application for the post of "PHP Developer"

Dear Sir,

In response to your job advertisement published Facebook dated 2 May 2021. I would like to introduce myself to you as I believe I have the skills, qualifications, and experience necessary to make a significant contribution to your organization.
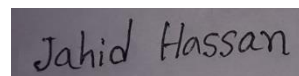

I have got my Graduation degree of Computer Science And engineering (CSE) from Daffodil International University.

I am a professional **Full Stack web developer**. I have more than 2 year's hands on experience in web designing and development. I complete four projects for designing using HTML5, CSS3, Bootstrap, JavaScript, jQuery plugin, SCSS, BEM methodology, PHP, MySQL, Laravel and React, etc. Recently I assigned as a trainer in the CPC club at daffodil international university permanent campus for a **Full-stack development course**. I am self-motivated, energetic, enthusiastic and ever ready to learn new thing. I am confident to ensure the highest level of professionalism and commitment to my job.

I'm interested in working for **Alesha Tech Limited** because I want to further my own knowledge and interest in web designing, and I believe I'll be able to offer new ideas to help **Alesha Tech Limited** reach and surpass the primary objectives mentioned in its job ad.

I believe working in a reputed organization like your one will provide me an excellent opportunity for my career. I would truly be grateful if I finally selected for that post and I will prove myself to be an important asset for your company through my dedication, sincerity and highest level of professionalism.

Sincerely,

Jahid Hassan
